Wholesalers of HVAC Controls and Solutions since 1945

## Front-End user familiarity class

*Supervisory controls (based on Tridium's Niagara framework) allow remote visibility to monitor and control mechanical systems. This class will focus on helping you understand and navigate the user interface.*

**July 17, 2014**

**3:30 – 5:30 pm**

**Seats are limited, reserve your seat today!**
