Wholesalers of HVAC Controls and Solutions since 1945

Selectra modulating gas controls

7/2/2014 3:30 – 5:30 pm class held at our office- 30 Vineland St. Brighton, MA

Maxitrol's selectra system is used on a variety of OEMs direct and indirect fired equipment. Join us for a detailed lesson in how the systems work. After this class you should have a good understanding of how to trouble shoot these controls.

Please reserve your FREE seat by emailing us training@interstatecontrols.com
