VLT-HVAC Variable Frequency Drive Training

11/8/18 2:00 – 5:00

Please join us for training on programming these easy to use, HVAC specific, drives. Ron Cimino the regional representative will teach the class at our Brighton office. We will also cover the reasons why 3% line reactors are no longer necessary.

You must pre - register for this free class. If the class is not full we may reschedule. Let us know if you are interested in this class but cannot attend this day or time.

Please reserve your FREE seat by emailing us mike@interstatecontrols.com
