Wholesalers of HVAC Controls and Solutions since 1945

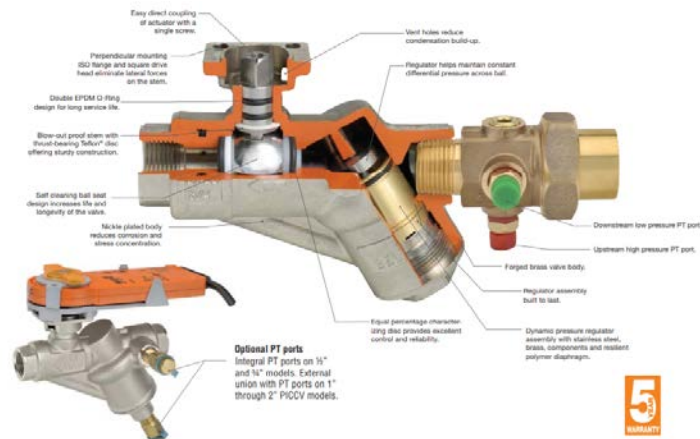

**Belimo Training – May 4 – 8:00-10:00 Brighton, MA**

**PICCV- Pressure Independent Characterized Control Valves**

These mysterious valves are quite simple. You will agree after this two-hour class.

**PICCV Advantages:**

- Easy selection, no Cv calculation required
- Hydronic balancing is simplified, as the circuits are not interactive
- Flexible commissioning
- One piece installation saves 50% of labor costs, installation space, and investment for balancing valve
- Reduces pumping costs by maintain flow regardless of pressure fluctuations
- Visualizes flow in a BMS system and provides accurate flow for each degree of opening
- Prevents overflow or underflow for fast start-up
