2-hour class to introduce contractors to Johnson Controls: Navigator and Points Plus

Navigator is Johnson Controls free online tool set. When you access Navigator you can create parts lists, catalogs, or complete jobs. Add a ddc controller and Navigator can automatically write the program, create wiring diagrams!

Point Plus is a loyalty program that rewards contractors for buying Johnson Controls. One more reason to use the industries best controls!

4/25 3:00 – 5:00
Class held at our Brighton office
